

These Are the 20 Best-Selling Beauty Products on Amazon

By Danielle Fontana , Editorial Assistant | September 22, 2016

Ah, [Amazon](#)—our go-to place for when we need something specific, fast (often in a panicked state) that never seems to disappoint us. While categories for, well, everything line the site, our focus naturally falls on the [beauty section](#). Since we know we're not alone, we decided to find out which products our fellow [shoppers](#) click on the most when they're in need of a beauty fix. Ahead, 20 of the most coveted products—some we're already in love with and others we're dying to get our hands on—from the beloved [Amazon.com](#).

5/20

[Fairy Tales Repel Conditioning Spray in Rosemary](#) (\$11)

Loaded with [rosemary](#), citronella, anise, lavender, tea tree and geranium oils, this easy-to-use spray turns even the most unruly hair into silky locks with just a few spritzes.
