

ALL-NATURAL LICE SHAMPOOS

# 6 All-Natural Lice Repellents Just in Time For Camp Season

JUNE 25, 2013

## Fairy Tales Hair Care

Using the right shampoo is a natural way to keep lice away from your little one's hair. For some reason, nits don't care for menthol, eucalyptus, and rosemary, making products that have high amounts of these natural oils deterrents. **Fairy Tales Hair Care Line** contains pure rosemary, citronella, lavender, and tea tree extracts, which naturally repel lice and other insects.
