

For Kids With Wavy Hair – Fairy Tales Curly Q Collection

[Fairy Tales Hair Care](#), the company that has rolled out [lice prevention shampoos](#), now offers the **Fairy Tales Curly-Q Collection**.

The **Curly Q hydrating shampoo**, **Curly Q Hydrating Conditioner**, and the **Curly Styling Spray Gel** all are designed to help detangle unruly knots, define curls and tame frizz.

The shampoo is made of natural quinoa and rice amino acids to improve manageability. It also contains a pear basil scent and is sulfate, paraben, phthalate, gluten, soy, dairy and nut-free.

The conditioner contains avocado butter to restore softness and boost shine. The murmururu butter does the moisturizing.

The styling spray has a subtle pear scent so isn't overwhelming.

Each are \$9.95.

My daughter recently had lice and that was when I realized she wasn't using Fairy Tales. We do have the products there for her to use but you can only do so much to remind kids to use certain products regularly. During her two week treatment, I had her use the shampoos and conditioners for lice prevention.
