

## Beauty Products to Borrow from Your Kids

Posted on Apr 05, 2013 | Comments 0

Kid's beauty products are known for their gentle and relatively less chemical laden formula. If you are someone with a sensitive skin then you can share the beauty products from your child's cosmetic collection.

Here are 6 such products that you can borrow from your kid's beauty collection.

### 3. Kid's Shampoo

[Fairy Tales Lifeguard Clarifying Shampoo](#) is a chemical-free gentle shampoo for kids. Its unique organic formula removes dirt and grime without stripping the strands off their natural oils.

It is so gentle that it can be the choice of shampoo for adults with delicate and fine hair. The shampoo is so efficient that people with fine hair can even skip the conditioner all together.
